Parent Help

The Waukee Show/Jazz Choir Invitational is January 15th and 16th. We love to host this contest because we do such a good job at it. It requires all of us to pitch in and help out. I know it is several months away, but we'd like to get it on your calendar now. With having your son/daughter be part of the Show Choir program – you as parents join the organization as well and will need to work a shift or lead a group during that weekend.

We also have a need during the year (check if interested):

- Hair/Make-up
- Alterations
- Minor Sewing

- Organizing costumes after contest
- Labeling costumes
- Helping with taking costume measurements

- Helping load the equipment truck before a contest or at a contest
- Driving the equipment truck
- Building stuff

- Organizing the food for trips (shopping and getting it to the bus)

- Helping with Show Choir 101 Publicity (Elementary open house night)

- Help lead a committee for show choir invitational
